## DETAILED ACTION

### Examiner's Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Rewrite claim 17 as follow:

### Claim 17

17. A computer readable media storing processor executable instructions for performing a method, the method comprising:

verifying, at a client computer, integrity of a web page communicated from a web server to the client computer, the verification comprising:

communicating with the web server specified by a Uniform Resource Locator from a configurable file providing user specified frequency and levels of analysis of starting web pages;

retrieving content specified by the Uniform Resource Locator;  
if the content contains an additional link to another Uniform Resource Locator, then parsing the content to determine if the content contains an error message, the error message indicating existence of a partial page error;

identifying, at the web server, a server-side error in the web page;

receiving results of the verification; receiving the server-side error;

merging the results of the verification with the server-side error; and

presenting the merged results at a computer system.

Authorization for this examiner's amendment was given in a telephone interview with Scott Zimmerman on 2/5/2008.
